GAME LIBRARY

CLASSIC GAMES

Always Start with the Basics

These three classic dart games are the core of the darts experience. They're easy to learn and offer fast, competitive play with endless replay value. Perfect for both beginners learning the basics and experienced players sharpening their skills.

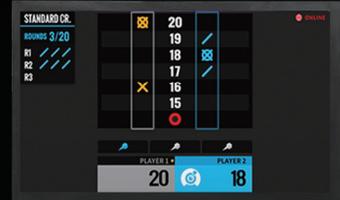

COUNT-UP
Simple & Classic!

It's easy! The player or team with the highest score at the end wins!

01 GAME
A Race to Zero!

The first player to reach exactly zero or have the lowest score wins!

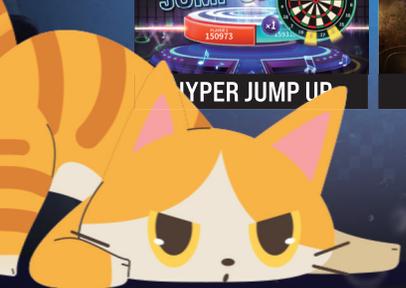

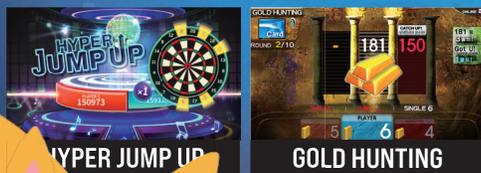

CRICKET
Strategy Meets Skill!

Open and close sections of the board to gain points! Highest score wins!

FUN ZONE

Interactive Fun For Everyone

Want a little more than just classic darts? Try the VSS Fun Zone to enjoy a collection of exciting arcade-style games played by throwing darts! From multiplayer party games like Cheers to high-energy favorites like Boxer and Hyper Jump Up, there's a game for every mood, every age, and every skill level.

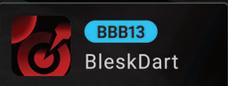

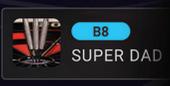

TECHNOLOGY

PHOENIXDARTS APP

Track Your Data, Find Shops & More

Track your own game data and performance anytime, anywhere! Set a home shop to follow rankings and see how you stack up against other local players. A built-in shop search feature also means discovering new places to play is always just a few taps away.

ITEM SHOP

DECORATE & CUSTOMIZE

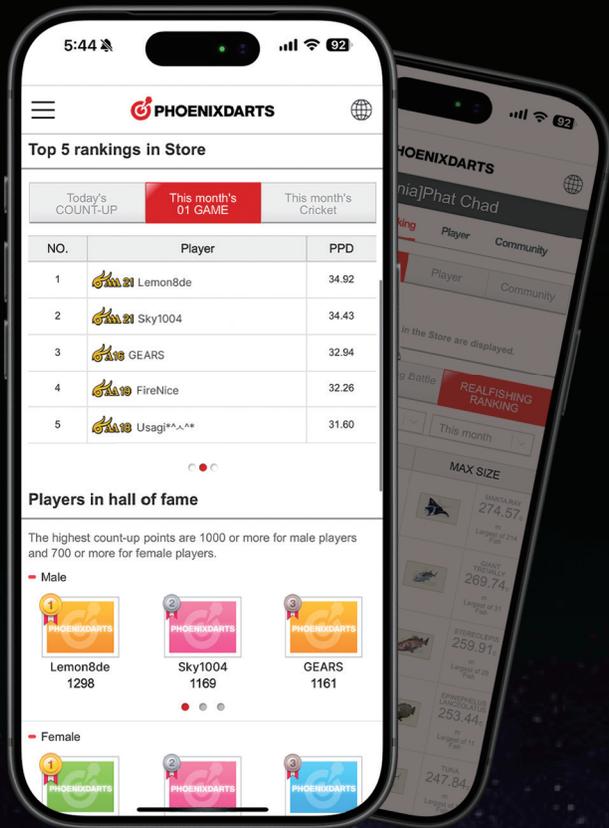

Buy Items and Express Your Style

Earn gold through gameplay and buy customization items on the Item Shop! New designs are added to the shop every month!

For holidays, the VSS is also updated with special theme items to celebrate, making it easy to decorate your venue!

SHOP EVENTS

IN-HOUSE EVENTS

Easily Boost Sales On Your Own

Business owners can easily run in-house dart events by using the built-in shop ranking pages on the PHOENIXDARTS app. Track daily and monthly rankings to create casual competitions that keep customers engaged! This helps build an active local darts community, growing a returning customer base and boosting revenue!

Get creative! Here's a few examples of quick and easy events to set up:

Offer discounts or menu item rewards for the daily, weekly, or monthly top players! A great way to advertise F&B sales!

Shop Ranking Battle lets players within a shop compete in a points-based ranking! Battles between shops are also possible!

HOUSE TOURNAMENT

HOUSE TOURNAMENT

From Zero to Tournament In Seconds

Fire up an in-house competition in seconds, no setup required! Build and run tournaments instantly right on the VSS machine with a quick settings menu and automated brackets. It's an easy way to bring excitement, friendly rivalry, and repeat play to any venue.
