DECORATE & CUSTOMIZE

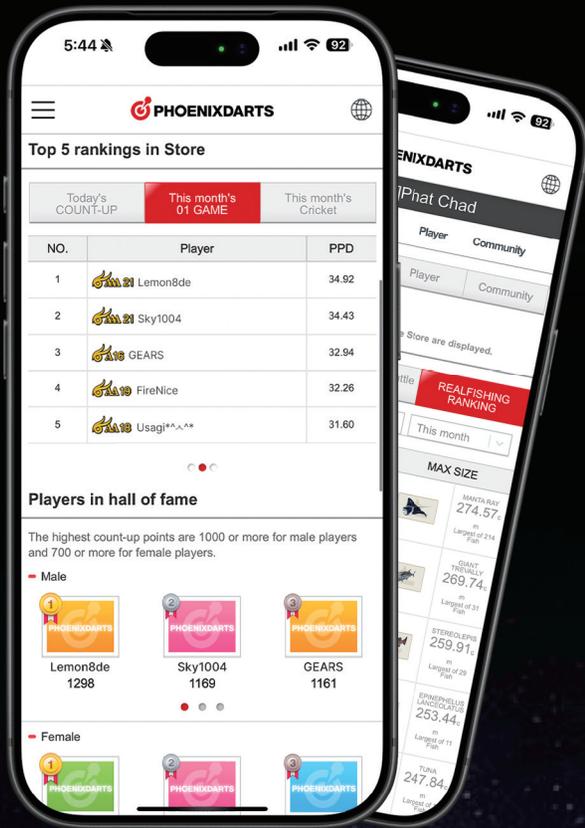

Buy Items & Express Your Style

Earn gold through gameplay and buy customization items on the Item Shop! New designs are added to the shop every month!

For holidays, the VSX is also updated with a special theme items to celebrate, making it easy to decorate your venue!

SHOP EVENTS

IN-HOUSE EVENTS

Easily Boost Sales On Your Own

Business owners can easily run in-house dart events by using the built-in shop ranking pages on the PHOENIXDARTS app. Track daily and monthly rankings to create casual competitions that keep customers engaged! This helps build an active local dart community, growing a returning customer base and boosting revenue!

Get Creative! Here's a few examples of quick and easy events to set up:

Fishing King allows players to compete with real-time rankings based on the fish they catch in the Real Fishing game!

Offer discounts or menu rewards for the daily, weekly, or monthly top players! A great way to advertise F&B sales!

Shop Ranking Battle lets players within a shop compete in a points-based ranking! Battles between shops are also possible!

HOUSE TOURNAMENT

HOUSE TOURNAMENT

From Zero to Tournament In Seconds

Fire up an in-house competition in seconds, no setup required! Build and run tournaments instantly right on the V SX machine with a quick settings menu and automated brackets. It's an easy way to bring excitement, friendly rivalry, and repeat play to any venue.
